

A Distributed Data Mesh...	smart monitoring	data product	monitoring data	smart monitoring data	smart monitoring product
Breaking Down Data Sil...	data localization	data aggregation	potential benefit	localization data	data localization data
CoK A Survey of Privacy...	quasi identifier	erential privacy	identi er	quasi identifier	data anonymisation
Converging Data Mesh ...	data product	smart manufacturing	analytical data	conversion data	element required
Cow Mesh a data-mesh ...	dairy farm	data product	farm data	semantic data	artificial intelligence
Data Fabric and Data M...	data fabric	knowledge catalog	fabric data	data fabric data	data ai
Data Integration Revitali...	data integration	integration architecture	smart city	data integration architecture	modal data
Data Mesh A Holistic Ex...	data product	data related project	related project	key principle	data architecture
Data Mesh Concepts an...	data warehouse	big data	data product	data lake	possible conclude
Data Mesh Motivational ...	data product	motivational factor	challenge practice	data fabric	factor challenge
Data Mesh a Systematic...	data product	composite data	composite data product	systematic gray	self serve
Data Mesh as Distribute...	data platform	siload platform	data quality assurance	distributed data	layered data
Decentralized Data Gov...	data product	output port	aligned data product	aligned data	source aligned
Enterprise Data Strategy...	data product	landing zone	limited utc restriction	utc restriction	limited utc
Finding Your Way Throu...	data fabric	logical data	logical data warehouse	architecture paradigm	data warehouse
From Data Mess to Data...	data design	self service	analytical data	data product	data plane
Identifying Alternatives a...	year min	data engineering	data architecture	alternative data	data fabric
Introducing Data Mesh p...	smart city	smart city data	city data	number different	user scenario
Navigating the Data Arc...	le object	data vault	data architecture	data lake	le object storage
Towards avoiding the da...	data product	challenge practice	motivational factor	data fabric	socio technical
Utilization of Data Mesh ...	driven design	software development	data product	data engineering	question battery
